**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used Sonic for years with my local business, and think there service has been fantastic...It is important for FCC to protect small providers to make sure consumers have a choice. I live in a small rural community and I say No to price hikes driven by greed for the services of internet and telephone. I am stuck where my home is only to use Comcast and would switch to Sonic as soon as they expand into the area of the county where I live.
